Features

Benefits

Compact, Ergonomic Hide-Away Design	Remote installation box installs out of sight under your dash.
AM/FM Band	Multi-standard programmable for multi-country usage.
Access All Controls on the Microphone	All the radio controls in one convenient, easy-access location.
Full-Function, Illuminated Color LCD Display	Allows high visibility of display in any lighting conditions.
SoundTracker® Noise Reduction System	Cuts noise up to 90%...and only Cobra has it.
All Channel Scan	Allows scanning of all channels.
Frequency/Channel Display Readout	Displays operating channel frequency or CB channel number.
Programmable Memory Channels	Stores up to 10 frequently used channels.
Dual Watch Channel Monitoring	Monitors 2 pre-selected channels simultaneously.
Key Lock	When activated, provides key pad security eliminating accidental channel or function changes.
Channel Saver Circuitry	Retains last channel after power down.
Built-In Automatic Noise Limiter	Eliminates electronic interference.
Quick Disconnect Design	Allows for easy removal of handpiece.
New Harmonized EU Band Power Level	AM/FM, 4 Watts.
Instant Channel 9 and 19	Immediate access to emergency channel 9 or information channel 19.
